

Chabak Vladimir

Product Designer

About me

I am a multidisciplinary designer from Kiev with 7 years of experience. Focusing on interface & interaction design, i design to solve human problems by identifying them, examining alternate solutions to them, choosing and executing the best solution. I'm passionate for technology, music, coffee, traveling and everything visually stimulating. Constantly learning and experiencing new things.

“Choose a job you love, and you will never have to work a day in your life.”
